

3 REASONS YOU NEED **PDF OPTIMIZER**

Achieving the right balance between **DOCUMENT QUALITY** and **FILE SIZE**

1 **Consistent
Results**

2 **Smaller
Files**

3 **Accurate
Reproduction**

1 Consistent Results

Same results as Adobe Acrobat, and same core technology that Adobe uses to build Acrobat, Photoshop, Illustrator, and InDesign

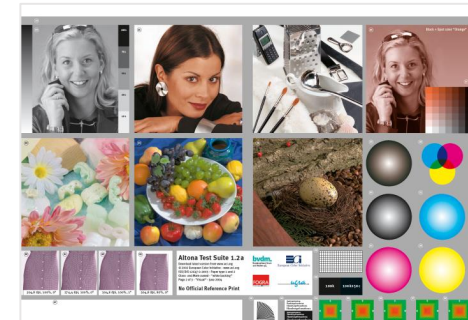

2 Smaller Files

Optimized for the user: more efficient file sharing and faster downloads

Original File Size
11.6Mb

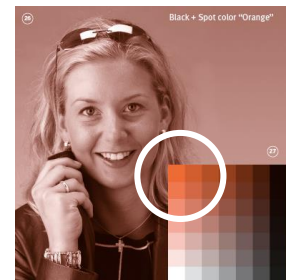

Optimized File Size
2.44Mb

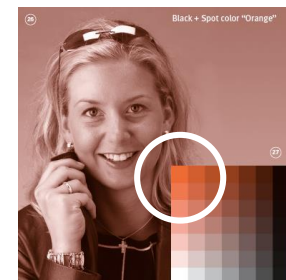

3 Accurate Reproduction

Guaranteed color and font accuracy for the optimized file - maintaining the original look and feel, corporate image and identity
